Transition Projects IMPACT Gala

*Celebrating 50 years of helping people
transition from homelessness to housing*

Overview | **IMPACT Gala**

Transition Projects is marking its 50th anniversary in 2019!

Join us for the **2019 Homeward: IMPACT Gala**, a celebration, showcasing the impact of community support for people experiencing homelessness as they have made their way home over the past five decades. Join with over 400 guests – including Transition Projects' founding members, politicians, community supporters, businesses and corporations – who will come together to enjoy this outstanding evening. The event includes a cocktail party featuring a wine cellar silent auction; a gourmand's dinner created by Chefstable Catering; a live auction offering travel, culinary and regional experiences, and the inspiring voices of those who have successfully moved from homelessness to housing. We invite you to celebrate our successes throughout our history and share our goals for tomorrow, because everyone in our community deserves a roof over their head.

And...we'll end the evening on a high note with a concert by Pink Martini!

About | **Transition Projects**

Transition Projects exists to help those experiencing homelessness transition successfully into housing. With five decades of experience providing shelter, housing, and supportive services for very low-income people, the agency is recognized for its work with veterans, women, people who are disabled, and other highly vulnerable groups. The agency operates out of eight locations throughout the Portland Metro-area. These facilities enable our team of over 300 staff to assist 10,000 people each year through programs designed to help people experiencing homelessness survive the streets, meet their basic needs, find housing, and retain their housing.
